

REMARKS

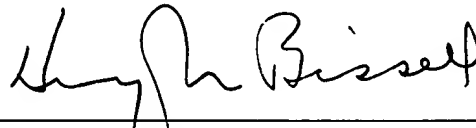

Acceptance and entry of the above amendment are respectfully requested. This amendment is submitted to place the Application in condition for allowance. No new matter is involved.

By this amendment, a reference to the Divisional Application to be filed more or less concurrently herewith is inserted in the specification. In addition, claims 37-69, directed to a non-elected species, are cancelled in accordance with the requirement of the Examiner.

Applicant is surrendering the original Letters Patent 5,897,316, enclosed herewith.

Since it is believed that all of the requirements for allowance of this Application have been met, Applicant submits that the Application is in condition for allowance. Favorable action is solicited.

Respectfully submitted,

Henry M. Bissell
